

Option 1: Develop a website for a local Bed and Breakfast in your community.

Option 2: Create a site for a touring band, speaker, or author. Include event schedules, blog, music/book sales, social media links, individual/group biography, ticket purchasing interface, etc. Information may be fictitious.

1. You must let me know what theme you picked before you start; if you change your theme later, let know which one you chose.
2. Must have at least 5 main buttons/pages
 - Two of the five pages must have SUB pages
3. Design a logo for your business in Photoshop OR the banner
4. Come up with a slogan (can be intertwined into logo)
5. Go to Canva and make 2 buttons in there to bring into your site
6. Photo slideshow OR gallery
7. Two more under category "Basic"
8. Social Icons
9. Links on TWO of your pages that link you to another website
10. One more category under "More"
